A Shoreland application was discussed at the January 26, 2016 Planning Board meeting. The Planning Board scheduled a site walk for Saturday, Feb 13th at 10:00 a.m. at the site.

The site may include uneven walking surfaces, changes in grade, wet areas, vegetative areas and animals. No restrooms or other public facilities are available. Please do not bring pets to the site walk.

A quorum of the Planning Board may be in attendance at the site walk. The purpose of the site walk is for the Planning Board and other interested parties to observe the details of the shoreland property as improvements are proposed which would increase the amount of impervious area to greater than 20%.

Questions regarding the Site Walk can be directed to Lucy St. John, Planning and Zoning Administrator at 526-4821, ext. 16 or email at zoning@nl-nh.com.
