Monday, October 28, 2013

A regular meeting of the New London Board of Selectmen will be held on Monday, October 28, 2013 at 6:00 pm in the Sydney Crook Conference Room, Town Office 2nd floor.

A public hearing is scheduled for the following application(s) or requests:

Kearsarge Telephone Company, a whole owned subsidiary of Telephone & Data Systems Inc., (hereinafter "Franchisee"), has requested a franchise to operate a cable television system in the Town of New London, New Hampshire (hereinafter the "Town") pursuant to NH R.S.A. 53-C;

Franchisee filed a written request with the Town for a franchise agreement by letter dated July 9, 2013 in conformity with the Cable Communications Policy Act of 1984 ("Cable Act");

There has been an opportunity for public comment, as required by Section 626(h) of the Cable Act;

The Franchising Authority has determined that the financial, legal, and technical ability of Franchisee is reasonably sufficient to provide services, facilities, and equipment necessary to meet the cable-related needs of the community, and desires to enter into this Franchise Agreement with the Franchisee for the construction and continued operation of a cable system on the terms and conditions set forth herein;

Insofar as the State of New Hampshire has delegated to the Town the authority to grant a franchise for cable system operation within the Town's territorial boundaries, the Town hereby exercises its authority to grant a non-exclusive franchise permitting the operation of a cable communications system within the Town (the "Franchise");
