Site Walk of Owls Nest Road and Pike Brook Road

The New London Planning Board has scheduled a site walk for Owls Nest Road and Pike Brook Roads, both of which are private roads. The Planning Board has reviewed and discussed conceptual plans for a subdivision, lot line adjustment and road realignment along both roads. The purpose of the site walk is for the Planning Board and other interested parties to observe the condition of the roads and other features along the way.

A quorum of the Planning Board may be in attendance at the site walk. The site walk will include walking and or driving along said roads which have uneven walking/driving surfaces, changes in grade, wet areas and are surrounded by densely vegetative areas. No restrooms or other public facilities are available.

The site walk will begin at 10:30 a.m. at the end of Owls Nest Road and Route 103A. Persons planning to attend should meet along the roadway, carpooling is suggested.

Questions regarding the Site Walk can be directed to Lucy St. John, Planning and Zoning Administrator at 526-4821, ext. 16 or email at zoning@nl-nh.com.
