

Habitat Stewardship Brochures

Do you recognize important wildlife habitat when you see it?

A series of twelve brochures are available from UNH Cooperative Extension to help landowners learn about and help conserve important wildlife habitats found on their land.

Click here to view and print a handout and order form for the series (see at right).

The Habitat Stewardship Brochures are produced by UNH Cooperative Extension with support from the Sustainable Forestry Initiative, N.H. Fish & Game Department, the NH Natural Heritage Bureau, and private contributions by NH Coverts Project volunteers.

How do I get paper copies?

Landowners may download brochures or receive a single set free through the UNH Forestry Information Center (call 1-800-444-8978, emailforest.info@unh.edu). [Click here](#) to print a handout that includes ordering information.
