

New London Energy Committee
March 2, 2016 Agenda
Syd Crook Conference Room – 7:00 PM

1. Discussion of February **meeting minutes**
2. LED street lighting update
 - a. Update on Eversource grant
 - b. Communication strategy
 - c. Next steps
3. Dave Harris:
 - a. Kim Quirk, and solar PV systems on town buildings: Bill Spear needs to complete the analysis of electric costs for New London. Continue discussion in February unless other updates are available at this meeting.
 - b. Electric car event in New London. Dave presented background and a plan for this initiative and asked for volunteers to lead projects related to this initiative.
 - i. Charging station: would like to have installed by 9/1/16 at either the Flying Goose or the Hannaford parking lot. Funding required is approximately \$8-10K with grants of approximately \$5000 being common. We would look to New London organizations (including the town) to fund the remaining costs. Maintenance cost of the charging station is approximately \$30/month. Jamie Hess will research the experience in Norwich, VT.
 - ii. Dave provided a list of electric car dealers
 - iii. We discussed other participants such as Revision Energy, Vital Communities, and Solar City. Jan will contact these organizations to discuss the initiative. Dave will provide background information to Jan.
 - iv. Marketing will be led by Toim and Bill. Dave will send a link to the National Electric Car Week – all NLEC members should enroll as volunteers. We already have a page available with this organization.
 - v. We are targeting 9/10/16 or 9/17/16 – we will need to decide. We will also want to plan for a rain date.

4. Net Metering discussion updates. Tim et al.
5. New London assessment policy for alternative energy systems: Peter, Tim, et al.
- 6. Other projects**
 - a. Dave: Facebook page – review and future plans
 - b. Bud: Public Transportation system in Hanover and Canaan.
7. **Member minutes, other business and next meeting** – 10 minutes
- 8. Next meeting:** April 6, 2016 at the Syd Crook Conference Room at 7:00 PM
