ADDENDUM
Issued December 17, 2015

REQUEST FOR PROPOSALS
CONSULTING SERVICES
PLEASANT LAKE DAM, NEW LONDON

The Town of New London (the “Town”) issues the following Addendum to the Request for Proposals (RFP) previously issued to retain a qualified professional engineer to assist the Town in responding to a Letter of Deficiency (LOD) from the NH Department of Environmental Services (NHDES) dated September 17, 2015, regarding Pleasant Lake Dam (#D176002/DSP#15-019).

Changes to the RFP are as follows:

1. The deadline for submission of the proposals has been changed from noon on Thursday December 31, 2015 to no later than **NOON on Wednesday, January 13, 2016.**
2. **Purpose & Project Scope:** add after e):
 - f) Note: This item is in addition to those listed in the LOD.
Evaluate options to pass the required discharge through alternative paths in conjunction with the existing auxiliary spillway. One of these alternative paths may be a low lying area near the Elkins Beach.
