To Whom It May Concern:

As a resident of the West Part of New London since 1971 and abutter (Map-Lot 128-008-000) to the proposed SooNipi Hollow Farm project, I would like to express my enthusiastic support for the proposed use of this property. It is my belief that returning the property at 1850 King Hill Road to farming is in the best interests of our area, especially given its proximity to the Lake Sunapee Watershed. Agricultural use of land in this area of New London has a long history and the work the Langners have done and will do in the future is in keeping with best practices as we know them.

If you have any questions concerning my unwavering support of this project, I would be happy to answer them.

Sincerely,

A handwritten signature in cursive script that reads "Laura E. Davis".
