RE: CHRIS & HAZEL STODDART

JULY 27, 2010

MAP 064, LOT 009-000

You are hereby notified that on this date, the New London Planning Board reviewed a request by Chris & Hazel Stoddart to remove ten trees (total point score of the trees to be removed is 10) from the Waterfront Buffer of the subject lot. The total remaining point score in the segment after the removal of the ten trees will be 79.

After hearing testimony regarding the proposed tree cutting, **by unanimous vote, the New London Planning Board APPROVED the applicant's request on the condition that the applicant plant a substantial amount of ground cover in the areas of the Waterfront Buffer that are currently mulched with bark and void of vegetation. The planting plan shall be approved by the Zoning Administrator and implemented in the spring of 2011.**
