RE: HOPWOOD TREE CUTTING REQUEST

MAY 10, 2011

MAP 076, LOT 047-000

You are hereby notified that on this date, the New London Planning Board reviewed a request by William & Jane Hopwood to remove a single dead from within the Waterfront Buffer on their property at 722 Bunker Road. The tree has been cored out by woodpeckers leaving almost nothing supporting its height. Because the tree is dead, there is no impact on the total tree score of the segment. In addition, the segment is very shallow, so the total tree score requirement is well below the theoretical 50 point minimum.

After hearing testimony regarding the proposed tree cutting request, **by unanimous vote, the New London Planning Board APPROVED** the applicant's cutting application.
