NOTICE OF DECISION
New London Zoning Board of Adjustment

RE: ARTHUR & JANE BOLAND

AUGUST 17, 2009

You are hereby notified that on this date, the New London Zoning Board of Adjustment held a public hearing at the request of Arthur & Jane Boland. The applicant requested an Area Variance to the terms of Article XVI, Section C, 2 of the New London Zoning Ordinance in order to dig a trench for propane and electrical lines that will connect to the residence within the 50' setback from the lake.

After hearing testimony, it was determined that the requirements for the Area Variance had been met. **By unanimous vote, the Zoning Board of Adjustment APPROVED the application for the area variance to allow the petitioners to install a new tank, propane and electric generator lines providing proper trenching techniques are observed during the trenching process.**
