RE: JANE MENDILLO TREE CUTTING REQUEST

APRIL 27, 2010

MAP 116, LOT 003-000

You are hereby notified that on this date, the New London Planning Board reviewed a request by Jane Mendillo (the application was actually submitted by and reviewed with Ralph Earl, husband of the owner of record), to cut a single pine tree and a small clump of cherry trees in the Waterfront Buffer of the subject lot. The segment of the Waterfront Buffer in which the trees cutting is requested has a total of 62 points prior to cutting, and will have a total of 50 points after the cutting.

After hearing testimony regarding the proposed use, **by unanimous vote, the New London Planning Board APPROVED the applicant's tree cutting request, subject to planting 12 blueberry bushes in the Waterfront Buffer segment (the second segment) that currently has less than the required 50 points, and the most development.**
