RE: LINDSEY TREE CUTTING REQUEST

MAY 24, 2011

MAP 056, LOT 021-000

You are hereby notified that on this date, the New London Planning Board reviewed a request by Eugene & Nancy Lindsey to remove 2 trees from within the Waterfront Buffer on their property at 135 Old Route 11. Both trees are healthy, one (1) point hemlock trees, each located in a different scoring segment. The removal of the tree in the northerly segment will lower the score in that segment from 72 points to 71 points. The tree in southerly segment will lower the score in that segment from 12 points to 11 points, but the applicant proposes compensatory planting of 5 grey birches, bringing the ending score up to 16 points. The applicant further requested approval to remove the subject hemlocks now, but to wait until fall to plant the birches, when planting conditions are more favorable.

After hearing testimony regarding the Lindsey tree cutting proposal, **by unanimous vote, the New London Planning Board APPROVED the applicant's cutting request with the condition that the 5 grey birches be planted no later than October 1, 2011.**
