Re: Letter of Authorization 428 Main Street

Live with Passion, LLC dba Village Sports is interested in renting the bottom floor center and right spaces at 428 Main Street "Village Green". In order for them to effectively run their shop out of this location, they would need to construct kayak/paddleboard racking similar to the racks they currently have at 394 Main Street. These racks would be up against the back and side of the building, not the front side facing Main Street. I hereby give them authorization to go through with the Town of New London site plan approval process for this purpose.

Thank you for your time and consideration.

Best Regards,
