RE: COLBY-SAWYER COLLEGE – BURPEE HALL

OCTOBER 25, 2011

MAP 085, LOT 033-000

You are hereby notified that on this date, the New London Planning Board reviewed a request by Colby-Sawyer College, represented by Doug Atkins, to waive the requirement for Site Plan Review to permit the college to construct temporary housing in the basement of Burpee Hall to accommodate 6 (six) students through the end of this academic year. This arrangement will be different than the housing arrangement presented and approved at the March 23, 2010 Final Site Plan Review for permanent student housing in the Burpee and Abbey dormitories and will be removed and replaced with the original approved version after graduation in 2012.

After hearing testimony regarding the proposed use, **by unanimous vote, the New London Planning Board APPROVED the applicant's request to waive Site Plan Review for the temporary use of the former Windy Hill School portion of the Burpee Hall basement as student housing, with the condition that the proposed use of the structure be in compliance with all state and local fire code requirements, and that the use be discontinued after May 30, 2012.**
