RE: COLBY-SAWYER COLLEGE – COLBY FARM

OCTOBER 25, 2011

MAP 085, LOT 033-000

You are hereby notified that on this date, the New London Planning Board reviewed a request by Colby-Sawyer College, represented by Doug Atkins, to approve a Final Site Plan Review to permit a change of use of the garage connected to the Colby Farm house from a single family dwelling use to a commercial storage use in support of the normal operation of Colby-Sawyer College. The proposed use will include the storage of grounds maintenance equipment on the first floor and the storage of surplus furniture on the basement level. The house and garage have been separated and protected by 2 hour rated construction.

After hearing testimony regarding the proposed use, **by unanimous vote, the New London Planning Board APPROVED the applicant's request for a Final Site Plan Review with the condition that the proposed use of the structure be in compliance with all state and local fire code requirements.**
