

Handout from
12.4.2018 ZBA
Meeting

December 2.2018

To: The Zoning Board

Town of New London NH 03257

To Whom it May Concern,

As abutters of the property at 133 Old Main Street we are not opposed to the plans for a two bay garage and replacing the porch on that property. We understand the driveway entrance to the road will remain unchanged

Sincerely

A handwritten signature in cursive script, appearing to read "Gail H. Turner", followed by a long horizontal flourish line extending to the right.
