

NHDES to Review Changes to Permitting of Shoreline Structures

The New Hampshire Department of Environmental Services (NHDES) is holding a meeting to discuss proposed changes to the permitting of shoreline structures being considered for inclusion in upcoming draft rules. This meeting will be held **at DES offices in Concord on Friday, March 4, 2016**

from 1:00 - 2:30. NHDES will not have draft rules at this meeting. The purpose of this meeting will be to discuss various concepts to help determine if the Department should proceed with the development of those concepts or cease consideration of them at this time. If you have any questions, please contact Shoreland Section Supervisor, Darlene Forst at Darlene.Forst@des.nh.gov.
