NOTICE OF DECISION
New London Planning Board

RE: CLEVELAND FAMILY TRUST

JANUARY 24, 2012

MAP 097, LOT 001-000

You are hereby notified that on this date, the New London Planning Board reviewed a request by The Cleveland Family Trust, represented by Professional Forester Leo Maslan, to harvest approximately 30% – 40% of the per acre basal area of tree stocking from within the stream buffer on the subject lot. Timber stocking within the Stream Buffer will be reduced from the current level of approximately 140 square feet of basal area per acre to approximately 80 – 100 square feet of basal area per acre. Nearly half of the Stream Buffer will remain untouched in the area of the pond and camp, at the request of the property owner. All harvesting will follow Best Management Practices.

After hearing testimony regarding the proposed timber harvest, **by unanimous vote, the New London Planning Board APPROVED the applicant's request to remove 30% - 40% of the basal area of timber from within the stream buffer on the subject property.**
