RE: ROXLEY TREE CUTTING REQUEST

SEPTEMBER 27, 2011

MAP 050, LOT 005-000

You are hereby notified that on this date, the New London Planning Board reviewed a request by the Roxley Limited Partnership to remove 2 clumps of hemlock shrubs (regular hemlock trees that had been maintained as low shrubs) from within the Waterfront Buffer on their property at 620 Lakeshore Drive and replace them with a combination of high bush blueberry plants (10) and laurel plants (3). Even with the removal of the two clumps of hemlock shrubs, the segments affected still have 85 points and 62 points, respectively, which is more than the minimum point score of 50 points.

After hearing testimony regarding the proposed cutting request, and after verifying that the point score in the affected segments exceeded the minimum score of 50 points after the cutting was completed, **by unanimous vote, the New London Planning Board APPROVED the applicant's cutting request, with the condition that the proposed planting of 10 high bush blueberry plants and 3 laurels be met as a bare minimum. Additional plantings are encouraged.**
