NOTICE OF DECISION
New London Planning Board

RE: LIONEL & JAMIE DALTON

JANUARY 24, 2012

MAP 098, LOT 019-000

You are hereby notified that on this date, the New London Planning Board reviewed a request by Lionel & Jamie Dalton, to harvest 10 – 12 pine trees from within a stream buffer. The nearest tree to the stream is approximately 85' from the edge of the stream bed. There is a significant inventory of mixed northern hardwood throughout most of the stream buffer and a healthy understory of young trees and saplings as well. This overall timber harvest is not part of any development scheme and will improve the view of Mount Kearsarge from Andover Road.

After hearing testimony regarding the proposed timber harvest, **by unanimous vote, the New London Planning Board APPROVED the applicant's request to remove 10 – 12 pine trees from the stream buffer.**

Tom Cottrill, Chairman
