RE: ELIASSEN TREE CUTTING REQUEST

NOVEMBER 22, 2011

MAP 091, LOT 003-000

You are hereby notified that on this date, the New London Planning Board reviewed a request by Tim & Midge Eliassen to remove three dead trees from within the Waterfront Buffer on their property at 208 Poor Road. The trees in question include a large white pine, a large aspen, and a smaller birch. Because the trees are dead, there is no impact on the total tree score of the two segments involved. The shoreline remains densely vegetated, with very high point scores in most segments.

After hearing testimony regarding the proposed tree cutting request, **by unanimous vote, the New London Planning Board APPROVED the applicant's tree cutting application.**
