NOTICE OF DECISION
New London Planning Board

RE: MARY KAY WYAND TRUST

OCTOBER 25, 2011

MAP 103, LOT 022-000

You are hereby notified that on this date, the New London Planning Board reviewed a request by the Mary Kay Wyand Trust to remove 2 dead trees from within the Waterfront Buffer on their property at 756 Route 103A. Both trees are completely dead. With or without the dead trees the point score of the segment is unaffected, with a total of 40 points. The Waterfront Buffer on this property is largely a well vegetated wetland area that does not grow many trees, but has a healthy mix of shrubs and ground cover. The owner has agreed to allow some new trees to grow as sprouts manage to find a place to take root in the poor soils at the site.

After hearing testimony regarding the proposed tree cutting request, and after verifying that the point score in the affected segment remains unchanged, **by unanimous vote, the New London Planning Board APPROVED the applicant's cutting request.**
