

Sept 17<sup>th</sup> 2020

Planning Board  
Town of New London  
375 Main st  
New London , NH 03257

Dear Planning Board Members:

This letter is to inform the Town of New London that Eversource would like to extend our primary lines along Soo Nipi Park dr to provide safe reliable electric service for land owners on Soo Nipi Park dr and Light House View rd .

According to Eversource records Soo Nipi Park dr has been designated as a scenic road by the Town. Please consider this letter to be a request from Eversource for a public hearing for the purpose of the trimming and removal of trees within the proposed work area pursuant to RSA 231:158. Please inform this office of the date, time, and place of said meeting so that we may have a representative present.

Eversource specifications call for removal of brush and limbs less than four inches in diameter which are located within eight feet to the side of, ten feet below or fifteen feet above conductors. Please see the attached proposed tree removal list . The trees on this list have been ribboned with Blue and White Checkered ribbon . All work will be performed in accordance with accepted arboricultural standards.

Eversource plans to use Asplundh Tree Expert Company to perform the actual trimming and removal of trees. Eversource requires that our trimming contractors contact each landowner where trees are to be trimmed prior to commencement of work on that property. Individual concerns will be addressed at this time.

If you have any questions or comments, please feel free to contact me, by:  
U.S. mail: Rick Sullivan 13 Legends Drive Hookset NH 03106
